Are you planning to attending MDS 3.0 Basic Training? QCHF also offers MDS Clinical and MDS Medicare classes!

Quality Care Health Foundation NEW PROGRAM FOR 2010

Who Should Attend

Nurses and other IDT members new to their position or those who have not attended a formal MDS 3.0 coding class. Administrators and DONs who wish to gain understanding of how MDS data impacts payment and 5-Star Ratings and how MDS assessments can support culture change efforts and promote life quality for residents.

Topics Covered

- Understanding how MDS Data is used for Quality Measures, resident centered care, surveys, payment and CDPH enforcement efforts
- Tracking and Trending MDS data for facility QAA use
- Understanding the new Care Area Triggers (CATs)
- Tips and techniques for conducting required resident interviews
- MDS 3.0 data elements including admission screening for geriatric syndromes that are often missed,
- Quarterly and Discharge and correction assessments
- How to avoid common errors in MDS Coding
- Hands on practice in completing select sections of the MDS

Instructors

Rena R. Shephard, MHA, RN, RAC-MT, C-NE. President of RRS Healthcare Consulting Services in San Diego, providing long-term care consulting and training services to facilities, corporations, and attorneys nationwide. A DNS in skilled nursing facilities for 14 years, she is the founding chair and executive editor of the American Association of Nurse Assessment Coordinators. She is a nationally recognized expert and popular speaker on resident assessment and care in nursing homes, with certifications from the American Association of Nurse Executives and the National Association of Directors of Nursing Administration in Long Term Care amongst others.

or

Patti Giribaldi, RN, BA, RAC-CT is the Director of Clinical Consulting for Consonus Healthcare. She has been with Consonus since 1997 and is in national demand as a speaker on topics ranging from medication management and MDS to fall prevention, wound care and PPS.

or

Avery Malate, BSN, RN, RAC-CT, Country Villa Health Care. Avery has over 11 years of clinical nursing experience in both acute and long term care setting internationally and in the United States. Seven of those years have been in long term care with a majority engaged in patient care supervision, consultancy, education and training in the areas of clinical reimbursement, RAI process, care planning process, healthcare quality management and clinical compliance.
